Organiser's Comments:

I would like to thank all the people who helped make the event so easy to organise, especially: Colin Smith who spent more time in the forest than I did (unlike the Armchair Planner who spent more time in bed!); all the CUOC members who helped on the day, including the anonymous start official (he's now recovering well in an asylum); the Suffolk Constabulary for not arresting me; Arthur Henderson for the buses and the Milky Ways (could we have Fig Rolls as well next time, please?) and, of course, everyone who competed - I hope you enjoyed it.

And I'm glad to see that Auntie knows we chose the 1st code just for her - Cambridge 833900.

Phil Slingsby (Emmanuel)
